## NEWS IN A NUTSHELL

Paragraphs That Give Condensed  
Acres of the Day.

Manufacturers' shoe Co. are selling  
very good shoes.

The Supreme Court this morning ad-  
judged to April 21.

Chit at Lewis & Cooke to see the new  
designs in wall paper.

The 1902 Social Club gives a mas-  
querade ball this evening at Elks' hall.

The Genghis is a razor recommended  
to all who shave, by J. O. Hall & Son,  
price \$1.50.

Great reductions in bamboo furniture  
for a few weeks only at S. Hirokawa,  
333 Beretania street.

Mrs. Charles H. Atherton will receive  
at her King street residence this after-  
noon from 3 to 4 o'clock.

The Grand Jury this morning report-  
ed to Judge Gear four indictments and  
four cases in which no indictments had  
been found.

There will be gospel services this  
evening at 7:45 o'clock in the Gospel  
temple on Port street. Rev. Morris Kin-  
caid will preach.

The suit brought against the ship A.  
J. ruber by 16 members of her crew  
was concluded and submitted to Judge  
Estez this morning. A decision is to  
be given on Saturday.

No information as to action regard-  
ing the status of affairs regarding the  
Kona plantation has been given out  
today and there are no visible signs  
of any movement being projected.

Local anglers are getting up a party  
to make a coastwise trip to this is-  
land and in the Young Brothers big launch.  
The trip will be incidental to the for-  
mation of an Hawaiian Piscatorial So-  
ciety. The amateurs believe that there  
are excellent fishing grounds off Dia-  
mond Head and expect to make a haul  
in that vicinity.

## FOR MCKINLEY PARK

PREPARATIONS ALL IN SHAPE  
FOR POLO GAME.

Teams Doing Stunts in the Dawn at  
Kapiolani Park—Great Team Play  
May be Expected.

Polo players have been out and prac-  
tising team work this week in the grey  
haze of the early morning. Dillingham  
and his team were trying new strategy  
combinations yesterday at Kapiolani  
Park and the sun topped Diamond  
Head and the opposing four have been  
equally in earnest. The game is so  
evenly matched that both teams feel  
confident of victory and either will feel  
sorryly disappointed if it fails to win.

To be a game that is played by the  
ponies as well as the players and the  
observing of luck, Samuels' best pony  
in the league, handicaps the team  
somewhat. Angus and Dole make a  
formidable combination on the blue  
team and that team also rides lighter  
than their opponents. The difference  
is only three or four pounds at the out-  
side but it is a difference that is apt to  
make its effect prominent on tired  
horses at the end of a game just when  
one little extra effort is surely needed.

To judge by the early morning prac-  
tice, spectators will be treated to some-  
thing out of the ordinary in team work  
when the Reds settle down to play on  
Saturday.

Souvenir programs and ribbon badges  
will be sold on the field and help to  
cover the expenses of the day. C. W.  
Dickey has been superintending the  
work in the weeks and the big road  
board policy has been wisely at work  
every day getting the field in perfect  
shape. The territorial band will not  
start until three thirty at which time  
the ball will be thrown into the field by  
umpire S. E. Dalton.

Tickets are in the hands of some fifty  
enthusiastic salesmen besides being on  
sale at the drug stores and news com-  
panies and the attendance bids fair to  
be a bumper one. This will be the closing  
game of the polo season which will  
reopen in the fall with an inter-  
continental after some preliminary  
practice games.

SHOULD GET REGISTERED.  
The Commissioner of Navigation has  
ruled in the recent case of the Helen  
Brewer, that vessels going from At-  
lantic to Pacific ports or vice versa  
should first secure regular registers  
for a foreign voyage. In case they  
should have only enrollments and  
coastwise licenses, as the Brewer had,  
and through stress of weather or some  
other cause, would have to put into a  
foreign port, they would be liable to  
seizure and forfeiture. Collector  
Stackable has been advised to so no-  
tify masters of vessels.

MCCARTHY CASE.  
Judge Gear has decided that the trial  
of McCarthy for assault and battery  
will have to begin all over again, on  
account of the cartoon for which the  
contempt proceedings against Editor  
Smith were begun. This afternoon a  
juror was withdrawn and the case  
starts over again from the beginning.

It will probably take the rest of the  
term to try the case under these cir-  
cumstances, as hardly any of the pres-  
ent panel of jurors are available.

SAILING OF WARREN.  
This evening the boilers on the trans-  
port Warren are to be tested. If they  
prove to be in a safe condition the ves-  
sel will sail at 2 a. m. tomorrow for  
Manila.

ALAMEDA EXPECTED TOMORROW.  
The Alameda is scheduled to arrive  
here Saturday but it is more than likely  
that she will be sighted about noon to-  
morrow from San Francisco. She made  
San Francisco March 5 and was put in-  
to quarantine. Unless she was detain-  
ed unnecessarily she ought to arrive  
here tomorrow as she generally comes  
down the afternoon before her schedule  
time. She will bring three days later  
news and mail.

## Taroena

Is a prepared food made entirely from  
taro by a unique process which pre-  
serves all the valuable nourishing  
qualities of the root. It is highly con-  
centrated, thoroughly cooked and ready  
for immediate use. Unlike artificial  
food compounds, Taroena will keep in  
any climate for years after being open-  
ed. It is prepared under the most hy-  
gienic conditions and is completely  
sterilized. Taroena is essentially a  
pure, wholesome, natural food and is  
supplying a long felt want.

## Taroena

Is rich in the phosphates. It is a won-  
derful nerve tonic and nerve fibre  
builder. It is the best of brain foods.  
Business men who have overworked,  
and suffer from loss of sleep and ap-  
petite, nervousness, headache and a  
general prostration of the nervous sys-  
tem, will promptly improve on a diet  
of Taroena. Physicians who have pre-  
scribed Taroena in cases of this de-  
scription, have been both delighted and  
astounded with the rapid recovery of  
their patients.

## Taroena

Is absolutely unlike all other invalid  
foods in this important essential; it  
contains, placed there by nature, a di-  
gestive ferment peculiar to itself. In  
no other way, than by the presence of  
a natural ferment, can be wonderful  
digestibility of Taroena be explained.

## Corset Critics Silenced

### Straight Fronts vs. Tight Lacing

THE OLD ARGUMENTS AGAINST  
CORSETS ARE NOW OBSOLETE.

THEY'VE SERVED THEIR DAY  
AND GENERATION. AND TO THEIR  
CREDIT LET IT BE ADDED, HAVE  
DONE GOOD SERVICE BUT THE  
NEW "STRAIGHT FRONT" ROBS  
THEM OF ALL FORCE.

THIS STYLE FOLLOWS THE NA-  
TURAL LINES OF THE FORM—IN A  
WORD, HYGIENIC.

ITS MERITS ARE OBVIOUS.

IN CONTOUR NOTHING COULD BE  
MORE GRACEFUL WHILE IT SUP-  
PORTS THE ABDOMEN AND  
STRENGTHENS THE BACK.

ALL STRAIN IS THROWN UPON  
THE HIPS AND BACK MUSCLES.

BEST OF ALL, IT RETIRES TIGHT  
LACING A BARBARITY ON A PAR  
WITH CHINESE FOOT TORTURE.

WE CARRY ALL THE BEST  
MAKES AND MODELS OF  
STRAIGHT FRONT CORSETS.

FOR SOME ARE BETTER SUITED  
TO YOUR FORM THAN OTHERS.

IF YOU GO BY WHAT WE TELL  
YOU, YOU'LL GET THE KIND THAT  
IS BEST SUITED TO YOUR FORM.
